**WORLD PRESS PHOTO EXHIBITION**  
Tunduru Garden - Maputo

For its return to Maputo, the WORLD PRESS PHOTO exhibition will be accompanied by the best pictures taken by Mozambican and foreign photographers on the theme of religion and beliefs in Mozambique and the rest of Africa. In order to give the newest echoe to this specific theme, constantly evolving and shaping the African society, we are looking for the best photographs taken in 2018 that will showcase the impact of the different religions and beliefs on the African continent. Selected on the base of skills, reflection of the theme and shown passion for photography, the winning pictures will receive a financial reward or a Canon camera. Both winning pictures and runner ups will be showcased next to the WORLD PRESS PHOTO exhibition in Maputo between November 22 to December 13 this year and in Groningen, The Netherlands, in 2019.
